Dear TCVMA Vendors,

Thank you so much for your support of TCVMA in the past and thank you for helping us make last year's Tarrant County Veterinary Community Banquet such a huge success. This year will be our **11th Annual Community Banquet** and we have set the date of our event for **December 6th, 2011**. We are asking for your support once again. This year for the first time in our banquets history we will have a repeat performance. We are happy to announce that our featured entertainment will be **Dr. Kevin Fitzgerald** who was a regular on the Animal Planet's hit series Emergency Vets. He is also a standup comedian on the side and he was our featured speaker for the second TCVMA Community banquet in 2002. For those of you that were there you will remember that he kept us all laughing the whole time he spoke. Those of you who were not there are in for a real treat from Kevin, along with the awarding of an extraordinary addition to the Tarrant County Animal Hall of Fame and our Veterinary Community Award.

Please consider participating with us by monetary donation in order to make this event possible. Door prizes are also accepted to be given away during the banquet. We will recognize your company as a sponsor and will place a sponsor list in order of donation size in the evening's program and the TCVMA newsletter following the banquet.
